WEAR WHAT SUITS YOU This gorgeous two-tone jersey dress has slimming side panels and a flatteringly high waist. The simple neckline is balanced by interesting detail on the lower half of the dress. It's important not to wear fussy, over-styled outfits to work - you'll appear to have spent too much time thinking about how you look. Note the long sleeves: *instant elegance*.

Cream and black **JERSEY DRESS**, Tibi, €389; black opaque tights, Wolford, €26; grey **PATENT LEATHER HANDBAG**, Pauric Sweeney, €875; **PEWTER BANGLE**, Citrine by the Stones, €135; all at Seagreen. Black and cream **SHOES**, €65, at River Island.
